The Conference also supported the efforts made by Member States in Geneva for their common stance on issues of concern and on campaigns to distort the image of Islam as reflected in the resolution of the Human Rights Commission on the issue.

62. The Conference expressed deep concern over repeated and erroneous attempts to associate Islam with human rights violations, and over the use of television, the radio and the press to propagate such misconceptions. It called for an end to the unjustified campaigns of some non-governmental organizations against a number of Member States, which demand the abolition of Sharia laws and penalties in the name of human rights protection. It affirmed the right of States to uphold their religious, social and cultural idiosyncrasies, which are legacies that help enrich common universal concepts of human rights. It urged that the universality of human rights must not be used as a pretext to interfere in the internal affairs of States and flout their national sovereignty. The Conference also condemned the decision of the European Union to denounce stoning as a penalty and what it calls inhumane punishments meted out by some Member States in compliance with Islamic Sharia.

Expressing its strong **condemnation** of Israel's persistent and mounting aggressions against the holy places in the city of Al-Quds Al-Sharif and the other Palestinian cities, desecration of the holy places and violation of the hall of the blessed Al Aqsa Mosque and aggressing people performing prayer there;

Expressing its strong condemnation of Israel's illegal measures and practices in the city of Al-Quds Al-Sharif carried out in contradiction with international resolutions and laws with the purpose of judaizing the holy city and eradicating its Arab and Islamic character;

Rejecting the declarations made by the President of the United States George Bush during the joint press conference with the Israeli prime minister on 14/04/2004, and the American letter of guarantees to Israel, which contained dangerous concessions to Israel concerning the final settlement and the mechanism of agreement thereon, which jeopardizes the national rights of the Palestinian people;

Affirming the Islamic States' commitment to achieve a just and comprehensive peace in the region;

Holding Israel fully responsible for destroying the Middle East peace process on all tracks as a result of the Israeli government's intransigence, its reneging on the foundations of the peace process, especially UN Security Council resolutions 242 (1967) and 338 (1973) and the "land for peace" principle, and its failure to comply with the terms of the agreements concluded according to this principle;

Emphasizing that the Israeli policies, practices and expansionist designs threaten not only Arab states and the peace process, but also the Islamic countries at large and jeopardize international peace and security;

Hailing the steadfastness of the Palestinian people and their valiant "Intifada" (uprising) aimed at recovering their inalienable national rights;

2. **Affirms** the necessity of ending the Israeli occupation of the Arab and Palestinian territories occupied since 1967, and demands the Israeli occupation forces to withdraw from all Palestinian territories, including Al-Quds Al-Sharif to the June 1967 line. their national inalienable rights including their right to return, to self determination and to establish their independent Palestinian state on their national land, with Al-Quds Al-Sharif as its capital.

4. **Expresses** its support for the stand of the Palestinian State based on holding fast to the sovereignty of Al-Quds Al-Sharif, including the Holy Haram in that City and that of all the Christian and Muslim holy places and shrines which constitute a part of the Palestinian territories occupied since June 1967; **emphasizes** that Al-Quds Al-Sharif is the capital of the independent State of Palestine and **rejects** any attempt to undermine Palestinian sovereignty over Al-Quds Al-Sharif.

5. **Calls on** the UN Security Council to assume its responsibility in maintaining international peace and security by forcing Israel to put an end to its aggression and State terrorism practiced by its government and military institutions embodied in the killing of civilians, assassination, detention, collective punishment, continued invasion and occupation of cities, villages and refugee camps, destruction of the homes of the Palestinian citizens, demolition of the Palestinian National Authority's institutions, infrastructure and national economy. The Conference **calls for** the necessity of ensuring release of Palestinian prisoners and detainees in Israeli prisons and **stresses** the need to implement the declaration adopted by the Conference of the Contracting States Parties to the Geneva Convention of 1949 adopted on 05/12/2001.

6. **Calls on** the UN Security Council to send UN peacekeeping forces to the Occupied Palestinian territories in order to ensure the necessary security for the Palestinian people and their sanctities.

7. **Requests** States and international institutions and bodies to abide by the international resolutions on Al-Quds Al-Sharif as an integral part of the Palestinian and Arab territories occupied in 1967, and **calls upon** them to refrain from participating in any meeting or activity serving Israel's objectives to strengthen its occupation and annexation of the holy city.

8. **Affirms** its absolute rejection of the declarations of the President of the United States George Bush during the joint press conference with the Israeli prime minister on 14/04/2004, and its disapproval of the American letter of guarantees to Israel, which runs counter to the resolutions of international legitimacy, is in contradiction with the provisions of peace terms of reference, the Arab Peace Initiative, and the Roadmap, and jeopardizes the national inalienable rights of the Palestinian people, particularly such issues of final settlement as borders, refugees, Al Quds and colonial settlement.

9. **Vehemently rejects** the recent Israeli unilateral plan, and reiterates that no party has the right to cede the national rights of the Palestinians to Israel or to negotiate them on behalf of the Palestinian people and its legitimate and democratically elected leadership.

10. **Reaffirms** the necessity of finding a just solution to the problem of Palestinian refugees in accordance with the resolutions of international legitimacy, particularly UN General Assembly resolution 194 (1948), and **reiterates** its rejection of all forms of settlement.

11. **Calls upon** the QUARTET to intensify efforts to achieve a just and comprehensive peace in the Middle East in accordance with the roadmap and the relevant agreements and resolutions, and the foundations of the peace process and the Arab initiative, and to set up a timeline with specified and clear deadlines for the implementation of the roadmap as an indivisible solution. The Conference **rejects** any unilateral measures that run counter to this stand.

12. **Reaffirms** the United Nations immutable responsibility towards the Palestinian cause until a just and comprehensive settlement has been reached in all aspects that would end the occupation, and enable the Palestinian people to exercise their inalienable national rights, including the right to return, to self-determination and the right to establish their independent state on their national land with Al-Quds Al-Sharif as its capital.

13. **Condemns** Israel for building the segregation wall, and **calls upon** the international community to ensure cessation of its construction and removal of the parts that have been constructed in accordance with resolution 13/10 adopted by the Extraordinary Emergency Session of the UN General Assembly in 2003. The Conference warns against the dangerous impacts of the erection of the segregation wall, particularly the fact that it jeopardizes the chances of establishing an independent, sovereign and viable Palestinian State, and warns of a new displacement of the Palestinian citizens under the pressure of harsh living conditions.

14. **Commends** the active participation of the Islamic States and the General Secretariat of the Organization of the Islamic Conference at the proceedings of the International Court of Justice on the Israeli apartheid wall; **commends** the other States which made positive petitions as well as participating international bodies at the international campaign for solidarity with the Palestinian people, and values their efforts to end the construction of the apartheid wall.

The Conference **Considers** all such measures to be null and void and a violation of the provisions and principles of International Law and the International Humanitarian Law, particularly the 4th Geneva Convention of 1949, and **demands** Israel to completely withdraw from the occupied Syrian Golan to the 4 June 1967 lines.

25. **Requests** the international community and the UN Security Council to compel Israel to comply with U.N. resolutions, especially Security Council resolution 487 of 1981, to join the Nuclear Weapons Non-Proliferation Treaty, implement the resolutions of the General Assembly and the International Atomic Energy Agency (IAEA) calling for subjecting all Israeli nuclear installations to the Agency's comprehensive safeguards system. **Emphasizes** the necessity for Israel to declare renunciation of nuclear armament and submit to the UN Security Council and the IAEA a factual statement on its capabilities and stockpile of nuclear weapons and substances, given the fact that those are imperative steps toward making the Middle East a WMD-free area, particularly of nuclear weapons, which is essential to the establishment of a comprehensive and just peace in the region.

RESOLUTION NO. 2/31-PAL
ON THE
OCCUPIED SYRIAN GOLAN

The Thirty-first Session of the Islamic Conference of Foreign Ministers, held in Istanbul, Republic of Turkey (Session of Progress and Global Harmony), from 26 to 28 Rabiul Thani 1425H (14-16 June 2004),

Having considered the item titled "The Occupied Syrian Golan" and Israel's decision of 14-12-1981 to impose its laws, jurisdiction and administration on the Occupied Syrian Golan;

Having reviewed the repressive measures to which the Syrian citizens in the occupied Syrian Golan are being subjected and Israel's continued attempts to force them to accept Israeli identity;

Recalling the relevant resolutions of previous Islamic Conferences, particularly Resolution 3/30-P of the 30th Session of the Islamic Conference of Foreign Ministers held in Tehran, Islamic Republic of Iran, and Resolution 3/10-P (IS) of the 10th Islamic Summit held in Putrajaya, Malaysia;

Recalling also Security Council Resolution 497 (1981) dated 17-12-1981 and the relevant UN General Assembly Resolutions, latest of which was the one adopted by the Fifty-eighth Session;

Observing that Israel, in contravention of Article 25 of the United Nations Charter, has refused to accept and implement the numerous relevant resolutions adopted by the Security Council, in particular resolution 497 (1981) which considered null and void and with no legal consequence Israel's decision to annex the occupied Syrian Golan;

Deeply concerned at Israel's persistent attempts to defy the will of the international community and its reaffirmation of the annexation decisions considered null and void and illegitimate by the international community;

Affirming that the Geneva Convention on the Protection of Civilians in times of War (dated 12 August 1949) applies to the occupied Syrian Golan and that setting up settlements and bringing settlers to this area constitutes a violation of this Convention and destruction of the peace process;

Affirming the fundamental principle of the inadmissibility of acquisition of territories by force;

Condemning Israel's non-compliance with the will of the international community by withdrawing from the occupied Syrian Golan which it occupies since 1967 contrary to the relevant resolutions of the UN Security Council and General Assembly as well as international law.

Expressing concern over Israel's destruction of the Peace Process which was launched by the Madrid Conference on the basis of the Security Council resolutions 242 and 338, as well as the peace-for-land formula and the risks resulting from Israel's reneging on the commitments and obligations reached,

1. **Lauds** the steadfastness of the Syrian Arab citizens in the occupied Syrian Golan against the occupation and their valiant resistance to Israel's repressive measures and against the continued attempts to undermine their attachment to their land and to their Syrian Arab identity, and **declares** its support for this steadfastness.

2. **Strongly condemns** Israel for its failure to comply with Security Council Resolution 497 (1981) and **reaffirms** that Israel's decision to impose its laws, jurisdiction and administration on the Occupied Syrian Golan is illegal, null and void and has no legal validity whatsoever and that it constitutes a blatant violation of the UN Charter and its relevant resolutions and of the OIC Charter and resolutions as well as the Fourth Geneva Convention on the Protection of Civilians in times of war dated 12 August 1949 and relevant provisions of the Hague Conventions of 1899 and 1907, and the rules of international law, in particular the inadmissibility of acquisition of territory by force.

3. **Strongly condemns** Israel for its persistence in changing the legal status, demographic composition and institutional structure of the Occupied Syrian Golan, and for its policy and practices particularly confiscating lands, appropriating water resources, establishing and expanding settlements and transferring settlers and immigrants thereto, exploiting their natural resources and establishing projects on them, and imposing an economic boycott of the agricultural products of the local population and prohibiting their exportation.

4. **Strongly condemns also** Israel's attempts to impose Israeli nationality and identity cards on the Syrian Arab citizens, as these measures constitute a flagrant violation of the Universal Declaration on Human Rights, the Geneva Convention on the Protection of Civilians in Times of War of 1949 and the relevant resolutions of the UN General Assembly and other international bodies.

5. **Condemns** repeated Israeli threats against Syria aiming at wrecking the peace process and escalating tension in the region.

6. **Reaffirms** that Israel's continued occupation of the Syrian Golan since 1967 and its annexation of it on 14 December 1981 constitute a permanent threat to peace and security in the region.

7. **Reaffirms also** the right of the Syrian Arab Republic to recover its full sovereignty over the Occupied Golan.

8. **Demands** Israel to fully withdraw from all the occupied Syrian Golan to the line of the 4th of June 1967 in implementation of the relevant resolutions of the UN Security Council and to immediately begin demarcating that line.

9. **Also demands** Israel to fully respect all the foundations of the peace process as initiated in Madrid consistent with Security Council resolutions Nos. 242 and 338 and the "land for peace" formula and to abide by all the commitments and pledges reached so far.

10. **Demands anew** all states to stop providing Israel with any military, economic, financial, technological or humanitarian assistance that may extend Israeli occupation of Syrian Golan and encourage Israel to pursue its expansionist settlement policy.

11. **Requests** the co-sponsors of the peace process and the international community to assume their responsibilities and compel Israel to implement the resolutions of international legality calling for total Israeli withdrawal from the occupied Syrian Golan to the line of 4 June 1967 and from other occupied Arab lands, and to immediately start demarcating this line in order to achieve a durable and comprehensive peace in the region.

12. **Declares** its support for the firm position of Syria in its commitment to a durable and comprehensive peace in the region.

13. **Requests** the Secretary-General to follow up the implementation of this resolution, and to submit a report thereon to the 32nd Session of the Islamic Conference of Foreign Ministers.

RESOLUTION NO. 3/31-PAL
ON
ISRAEL'S CONTINUED OCCUPATION OF PARTS OF LEBANON AND DETENTION OF LEBANESE CITIZENS IN ITS JAILS AND DETENTION CAMPS

The Thirty-first Session of the Islamic Conference of Foreign Ministers, held in Istanbul, Republic of Turkey (Session of Progress and Global Harmony), from 26 to 28 Rabiul Thani 1425H (14-16 June 2004),

Recalling the resolutions of the Organization of the Islamic Conference on Islamic solidarity with Lebanon to put an end to the Israeli occupation of Lebanese territories in the South and West Bekaa;

Noting Israel's continued occupation of parts of Lebanese territories and positions along the Lebanese borders, its incomplete withdrawal from all Lebanese territories back to the internationally recognized borders in accordance with Security Council Resolution 425 (1978) and its continued violation of Lebanese airspace and plundering of their waters and soil;

Deeply concerned at Israel's continued, arbitrary detention of Lebanese citizens in Israeli prisons and camps in flagrant violation of the Universal Declaration on Human Rights, the Fourth Geneva Convention on the Protection of Civilians in Times of War of 1949, and the Hague Convention of 1907;

Noting with extreme concern and astonishment the ruling issued by the Israeli Supreme Court to allow the Israeli authorities to keep the Lebanese detainees in Israeli jails as "hostages and a card for compromise, and also to detain them without trial";

Recalling as well the resolutions of the UN Human Rights Commission in Geneva on the suffering of Lebanese citizens in Israeli jails who experience difficult health and humanitarian conditions resulting in the death of a number of them;

Reaffirming Lebanon's right to compensation for the losses in human life, material damages and substantial economic losses it has sustained as a result of Israel's repeated aggressions against Lebanese citizens and infrastructure, and the ensuing damages and heavy loss of life and property;

1. **Expresses** anew its congratulations and appreciation to the Republic of Lebanon, its President, Government and People and **commends** the valiant Lebanese resistance as well as the admirable Lebanese steadfastness which repelled the Israeli forces from the South of Lebanon and the Western Bekaa.

2. **Strongly condemns** Israel for its continued aggression against the Lebanese territories and its daily violations of the Lebanese sovereignty on the sea, land and airspace.

3. **Also strongly condemns** Israel for its continued occupation of positions on the internationally recognized Lebanese borders, and Lebanese territories, including the Shaba'a farms, in contravention of the provisions of Security Council resolution 425 (1978).

4. **Reaffirms** its commitment to Lebanon's independence, sovereignty and territorial integrity within its internationally recognized borders and **supports** the position of the Lebanese government which insists on the necessity of ensuring the complete withdrawal of the Israeli forces from all Lebanese territories back to internationally recognized borders and of bringing them under Lebanese sovereignty. **Reaffirms** Lebanon's right to recover every inch of its occupied territories and to reserve the right to resist Israeli occupation by all legitimate means until the liberation of all its territories including the Shabaa farms and **supports** Lebanon's right to its waters in accordance with the International Law against Israeli avaricious designs.

5. **Supports** the Lebanese position calling for maintaining the number of international forces working in Southern Lebanon without decreasing it or changing the nature of their task, especially in the light of the continuing Israeli threats, aggressions, and violations of the sovereignty of the Lebanese territories, air space, and territorial waters and **mandates** the Islamic Group at the United Nations in New York to continue its efforts to mobilize support for the Lebanese position.

6. **Condemns** Israel for laying hundreds of thousands of mines in the Lebanese territories which it had occupied, and which caused, and continue to lead to the death to tens of victims as well as substantial material losses. **Requests** the international community to bring pressure to bear on Israel to hand over all maps of mines in Lebanon and **commends** the initiative of the State of the United Arab Emirates to remove these mines in cooperation and coordination with the Lebanese Government and the United Nations.

7. **Requests** the international community, judiciary and political bodies and Member States to condemn Israel and bring pressure to bear on it to give compensation to Lebanon for the damages caused by Israeli repeated aggressions against Lebanese territories since the establishment of the State of Israel.

8. **Also demands** the international community to take all necessary measures to compel Israel to immediately release all the remaining Lebanese prisoners and abductees detained in Israeli prisons in implementation of the provisions of international law and the Universal Declaration on Human Rights, the Fourth Geneva Convention of 1949, and the Hague Convention of 1907, and **urges** Member States and international organizations to exert pressure on Israel to allow representatives of the International Committee of the Red Cross and other humanitarian organizations to visit Lebanese detainees in Israeli prisons on a regular basis, report on their conditions, and provide them with health and humanitarian care. Requests the adoption of a decision by international organizations, especially, the UN Human Rights Commission to conduct enquiries, imposed by international conventions, into the death of Lebanese detainees in Israeli jails and detention camps, and force Israel to pay compensations to those affected according to prevailing international laws.

9. **Reaffirms** the right of Palestinian refugees to return to their homes and **warns** that settling these refugees in Lebanon and not settling their cause on the basis of the resolutions of international legitimacy undermines the security and stability of the region and impedes the achievement of a durable and comprehensive peace therein.

10. **Considers** that the achievement of a durable and comprehensive peace in the Middle East is the appropriate way of achieving security and stability in the region. For this reason, it calls upon the international community, particularly the co-sponsors of the peace process – the United States and the Russian Federation – as well as the European Union to play a more effective role in ensuring the success of the settlement issue in accordance with the Madrid Terms of Reference and the decisions of international legality, particularly Resolutions 242, 338 and 425. **Considers also** that the liberation of Lebanon from Israeli occupation is a

victory for Lebanon, and that it constitutes a part of the liberation of occupied Arab lands which will only be complete when the prompt and complete withdrawal from the occupied Syrian Golan, back to the 4th of June 1967 borders, is realized and by ensuring the inalienable rights of the Palestinian people including their right to return, rejecting their settlement outside their homeland, and establishing their independent state on their national territory with Al-Quds Al-Sharif as its capital.

11. **Mandates** the OIC Secretary-General to follow up the implementation of this resolution and to submit a report thereon to the 32nd Session of the Islamic Conference of Foreign Ministers.

RESOLUTION NO. 2/31-P
ON
THE SITUATION IN CYPRUS

The Thirty-first Session of the Islamic Conference of Foreign Ministers (Session of Progress and Global Harmony), *held in Istanbul, Republic of Turkey, from 26 to 28 Rabiul Thani, 1425H (14-16 June 2004),*

Reaffirming the previous resolutions of the Islamic Conferences on the question of Cyprus which express firm support for the rightful cause of the Turkish Muslim people of Cyprus who constitute an integral part of the Islamic world;

Reiterating its call on the two parties in Cyprus to reciprocally acknowledge each other's equal status;

Reiterating also its continued support for the efforts of the UN Secretary-General under his mission of good offices towards a settlement;

Recalling its support to the Statement of the UN Secretary-General of 12 September 2000, emphasizing that in Cyprus each side represents itself and no one else; where the Greek Cypriots do not represent the Turkish Cypriots.

Welcoming in this context the willingness shown by the Turkish Cypriot side and Turkey for a political and viable settlement by taking a new initiative at the beginning of 2004;

Recalling that in nearly four decades since the establishment of UNFICYP, a unique opportunity presented itself when the UN Secretary-General finalized, with the active participation of the relevant parties, and presented a carefully balanced plan for the comprehensive settlement of the Cyprus issue on 31 March 2004;

Emphasizing in this regard that the UN settlement plan, in line with the resolutions of the OIC, respected the principle of equal political status of the Turkish Cypriot and Greek Cypriot sides, acknowledging that neither side may claim authority or jurisdiction over the other;

Also emphasizing that the Plan aimed to establish a new state of affairs in Cyprus, in the form of a new bi-zonal partnership with two equal constituent states;

Welcoming the sustained efforts of the UN Secretary-General in preparing and finalizing a comprehensive settlement plan that meets the core interests and concerns of two sides in Cyprus;

Taking note of the results of the simultaneous referenda held separately on 24 April 2004 in both sides of Cyprus; and deeply regrets that contrary to international calls, the Greek Cypriot side overwhelmingly rejected the UN settlement plan, whereas the Turkish Cypriot side approved the plan with a clear majority for the reunification of the Island and the EU membership;

Applauding the Turkish Cypriot people for their decision in exercise of their inherent constituent power in response to the call made by the UN Secretary-General;

Noting the desire of the Turkish Muslim people of Cyprus to fully integrate with the International Community, whereas they are left in isolation as the victim of an outcome in which they have no fault;

Considering that the massive arms build-up and the establishment, as well as continuing construction of air and naval bases by the Greek Cypriot side constitute a threat to peace and stability in the Island and the region;

Recalling its Resolution No. 14/10-P(IS) adopted at the 10th Session of the Islamic Summit Conference which decided the enhancement of the participation of the Turkish Muslim people of Cyprus in the Organization of the Islamic Conference;

Expressing its solidarity with the Turkish Muslim People of Cyprus and its appreciation for their constructive efforts to attain a just and mutually acceptable settlement;

Noting the report of the Secretary-General on the situation in Cyprus contained in document ICFM/31-2004/POL/SG.REP.2

1. Reaffirms the full equality of the two parties in Cyprus as the principle enabling them to live side-by-side in security, peace and harmony without the one having the ability to govern, exploit, oppress or threaten the other.

2. Acknowledges that a new situation has emerged in Cyprus following the referenda on 24 April 2004, which necessitates a fresh and comprehensive assessment of the Cyprus issue.

3. Welcomes the statements and calls made by the UN Secretary-General, international organizations and states, as well as decisions taken by various international organizations for ending the isolation of the Turkish Cypriots; and calls upon the international community to take immediate concrete steps to that end.

4. Urges the Member States to strengthen effective solidarity with the Turkish Muslim people of Cyprus, closely associating with them, and with a view to helping them materially and politically to overcome the inhuman isolation which has been imposed upon them, to increase and expand their relations in all fields and in particular direct transport, trade, tourism, culture, information, investment and sports contacts.

5. Decides to actively support, until the Cyprus problem is solved, the rightful claim of the Turkish Muslim people of Cyprus for the right to be heard and represented in all international fora on the basis of equality of the two parties in Cyprus.

6. Requests the Secretary-General to carry out the necessary contacts with the Islamic Development Bank with a view to seeking the ways and means of the latter's assistance for the development projects of the Turkish Cypriot side.

7. Decides to remain seized of the request of the Turkish Cypriot side of Cyprus for full membership of the OIC.

8. Further decides that the Turkish Muslim people of Cyprus should continue to participate in the work, activities and meetings of all OIC organs under the name envisaged by the UN Secretary- General's settlement plan.

9. Requests the Secretary-General to take all necessary measures for the implementation of this Resolution and to report thereon to the Thirty-second Session of the Islamic Conference of Foreign Ministers.

Expressing deep concern over the fact reflected in the report of the UN Secretariat to the 2000 NPT Review Conference on implementing the resolution of the 1995 NPT Review and Extension Conference on the Middle East which states that all States of the region, with the exception of Israel, are parties to the NPT.

Underlining once again the unanimous conclusion of the International Court of Justice that there exists an obligation to pursue in good faith and bring to conclusion negotiations leading to nuclear disarmament in all its aspects under strict and effective international control;

Recognizing that effective measures to protect Non-Nuclear Weapon States against the use or threat of use of nuclear weapons positively contributes to the non-proliferation of nuclear weapons and strengthen international peace and security;

Deeply concerned over Israel's arsenal of nuclear weapons and its threats and practices aimed at destroying the peaceful and defense capabilities of OIC Member States;

Also deeply concerned about the Israeli threats against peaceful nuclear installations of the OIC Member States;

Deeply convinced that the most effective assurance for Non-Nuclear Weapon States against the use or threat of use of nuclear weapons is the total elimination of all nuclear weapons;

Recalling the declaration and commitment therein made by Nuclear-Weapon-States to provide security assurances to Non-Nuclear Weapon States in accordance with their obligations under the Nuclear Non-Proliferation Treaty and other instruments;

Noting that Nuclear Weapon States have failed to provide credible assurances to Non-Nuclear Weapon States against the use or threat of use of nuclear weapons;

1. **Reiterates** that the provisions for the use or threat of use of nuclear weapons against Non-Nuclear Weapon States is in contravention of the negative security assurances that have been provided by Nuclear Weapon States. The development of new types of nuclear weapons is in contravention with the assurances provided by the Nuclear Weapon States at the time of the conclusion of the Comprehensive Nuclear Test Ban Treaty, which would prevent the improvement of existing nuclear weapons and the development of new types of nuclear weapons.

2. **Calls upon** all States, including those Members of the Conference on Disarmament, particularly the Nuclear Weapon States, to work urgently towards a multilaterally negotiated legally binding instrument to assure unconditionally Non-Nuclear Weapon States against the use or threat of use of nuclear weapons and to explore all additional means to provide effective assurances to Non-Nuclear Weapon States in the global or regional context. Pending the conclusion or such legally binding instrument, the Nuclear Weapon States should fully observe their existing obligations.

3. **Recommends** that the Islamic States make every effort at all international fora with a view to promoting the above-mentioned objectives aimed at strengthening the security of Non-Nuclear Weapon States against the use or threat of use of nuclear weapons.

Recalling Resolution No. 1/10-E(IS) adopted by the Tenth Session of the Islamic Summit Conference in Putrajaya, Malaysia;

Also recalling Resolution No. 1/30-E adopted by the Thirtieth Session of the Islamic Conference of Foreign Ministers;

Further recalling Resolution No. 6/24-E of the 24th Session of the Islamic Conference of Foreign Ministers, in which Member States were invited to reinforce Sub-Regional and Regional Markets and relaunch the existing economic integration projects among themselves;

Noting that globalization and increasing liberalization have made the external environment for development crucial particularly since OIC Member States have become more vulnerable to the intense competition and unpredictable fluctuations in international trade, instability in the financial and monetary flows as well as to the changes in technology;

Noting with concern that the world economy faces severe periodical fluctuations and crises in some regions which affect other regions with impacts on various fields due to the strong interdependence among world economies;

Stressing the urgency for the international community to work for a global approach towards financial crisis;

Aware of the need to improve the capacities and modalities of the International financial institutions, with regard to the prevention, management and resolution of international financial crises in a timely and effective manner;

Aware of the fact that, as a result of the current trends of globalization and liberalization, a large number of OIC Member States are bearing a disproportionate share of the adjustment burden;

Recognizing that the effective implementation of the Uruguay Round Agreements would necessitate a certain measure of adaptation in the economic and administrative structures of the Member States to safeguard their interests and to take maximum advantage of the opportunities to be created thereby;

Endorsing the Monterrey consensus of the International Conference of Financing for Development held in Monterrey, Mexico on 18-22 March, 2002;

Further aware of the need to further strengthen cooperation and coordination among OIC Member States to ensure expansion in intra-OIC trade;

Having taken note with appreciation of the studies prepared by SESRTCIC on world economic developments and ICDT on intra-OIC trade;

Having considered the report of the Secretary-General on the matter.

1. **Stresses** the need to promptly take practical steps, foremost of which is to set up joint investment projects among Member States, to achieve economic complementarity between them to ensure economic integration among the OIC Member States with the ultimate objective of establishing an Islamic Common Market or any other form of economic integration, on a step-by-step basis, and **commends** the efforts exerted by the Arab Economic and Social Council to create a major Arab free trade zone and **encourages** the regional organizations in which Member States participate, especially the ECO, SINSAD, ECOWAS, CEMAC and CEMAO to continue their efforts in this area.

2. **Underlines** the need to devise ways and means to minimize the adverse effects of the globalization on the economies of the OIC Member States as well as to enable them to harness opportunities provided by globalization.

7. **Calls on** the developed countries to create a more practical, equitable and transparent environment enabling developing countries to implement their structural adjustment programmes to enable them to achieve sustainable development and **urges** them to support the Common Fund established by UNCTAD with a view to stabilizing raw material prices.

10. **Agrees** on the need to closely monitor the implementation of the Uruguay Round Agreements and requests the General Secretariat and related OIC Institutions to study new and emerging trends and report making proposals to implement technical assistance programmes to assist those Member States which might have difficulties in responding to the new challenges.

11. **Recognizes** that the current phase of globalization and restrictive labour mobility are widening the income disparities between the developed and developing countries and that efficient labour migration management is essential for closing down such disparities and reducing the negative impacts of globalization through facilitating the flow of trade, capital, skills and ideas.

12. **Requests** the Secretary-General to follow up the implementation of this resolution and submit a report thereon to the Thirty-second Session of the Islamic Conference of Foreign Ministers.

2. **Emphasizes** the importance of effective participation of Islamic States in conferences and meetings related to the convention on Climate Change with delegations comprising specialists in all areas relevant to such conference.

3. **Emphasizes** the need to reiterate the demand for unanimity in adopting fundamental matters.

4. **Emphasizes** the need for the Eighth Conference of Parties to the Convention to adopt effective measures on implementing paras 8 and 9 of Article 4 of the Convention and Para 14 of Article 3 of the Kyoto Protocol with a mandatory and not optional status. To that end, it is necessary to adopt the following measures (which have been adopted by the G77 and China):

(a) For industrial countries to restructure their tax systems to reflect levels of green house effect for all sources of gas emission, in addition to abolishing assistance to a number of energy sources, such as coal in industrial countries.

(b) For industrial countries not to encourage increased local and regional production of fossil fuels, including oil, as such increases in production would be at the expense of their related imports from our developing countries.

(c) To remove all obstacles standing in the way of oil use and imports, particularly in the field of electrical energy generation.

(d) To assist our developing countries, including those whose national revenues depend to a large extent on oil exports, to diversify their economies by encouraging investment, the transfer of modern technologies, and the compensation of developing countries adversely affected by environmental policies adopted by industrial countries.

5. **Emphasizes** that the Conference of Parties to the Protocol should monitor the implementation by the industrial countries of these measures through an annual review of their national reports, which must cover progress made on the application of the above-mentioned points. This has been stipulated in Article 7 of the Protocol on reports and Article 8 on Report Reviews.

6. **Stresses** the need not to agree to an amalgamation of paras 8 and 9 of Article 4 of the Agreement with para 14 of Article 3 of the Protocol into one resolution. The two resolutions must be kept separate because of the different nature of each of the Articles in terms of mandatory status and the responsibility of industrial countries described in Appendix I of the Agreement within the context of para 14 of Article 3; and because the process and mechanisms for implementing the agreement are different from those for implementing the Protocol.

7. **Emphasizes** the need not to subject developing countries to new obligations related to limiting their emissions, whether on a mandatory or voluntary basis and not to determine a time schedule for any negotiations regarding such obligations.

8. **Supports** the demands related to providing financial and technical assistance to developing countries and creating distinct funds for the purpose, in addition to existing

financial means. It calls for a commitment from industrial countries to allocate specific financial sums to these funds on a regular basis.

9. **Calls** for the implementation of all the items in the 1998 Buenos Aires Plan of Action through effective, mandatory measures attached to each item.

10. **Requests** the Secretary-General to take appropriate steps for the implementation of this recommendation and submit a report thereon to the 32nd Session of the Islamic Conference of Foreign Ministers.
